## Rules & Information

### General Event Regulations

- The event(s) will be run under CC/UCI rules.
- The penalty scale of the UCI rulebook will be applicable.
- The event is sanctioned by Cycling Canada as a National Event for Junior and Elite riders.
- This event is sanctioned by Ontario Cycling Association as the Ontario Provincial Criterium Championship.
- Provincial championships are being awarded in Ontario ability based O-Cup categories.
- Only riders licenced by the OCA are entitled to win the provincial championship.
- Should a rider not licenced by the OCA place among the top three overall finishers in each O-Cup category, a podium presentation will take place for those riders and a second podium presentation will take place for the provincial championship based on the results of eligible riders with an Ontario licence.
- Equipment regulations will be enforced for all categories. There will be no exceptions.
- Gear restrictions are in place for riders competing in the Junior category.
- All riders must present their licence and sign on at registration.
- All riders must enter their event class as shown on their licence.
- Riders must enter the Provincial category on their licence to be eligible for the championship.
- All riders with Elite as a National category are eligible to race in the Elite 1/2 race.
- Riders with a Provincial Elite 1/2 category and a National Masters category are eligible to race the Elite 1/2 race.
- U17 and U19 riders wishing to upgrade to the Junior or Elite race must submit an upgrade request to Josh Peacock, Competition Coordinator, Cycling Canada ([josh.peacock@cyclingcanada.ca](mailto:josh.peacock@cyclingcanada.ca)) no later than July 24, 2017.
- OCA licenced U17 riders who have been granted permission to upgrade to Junior for the provincial championships by the OCA do not have to seek separate approval from Cycling Canada to ride as Juniors.
- U.S riders must present a UCI licence in order to enter this event. USAC Domestic Licences are not allowed in Canada
- All foreign licensed riders (other than U.S. riders) must produce a letter of permission from their country's federation.
- All riders (or parents/guardians) are required to sign the OCA and CC waivers, unless they have an OCA-issued licence.
- Races will start promptly at the indicated start times.
- There will not be a team managers meeting.
- There will not be any team vehicles permitted on the course.
- **Any rider dropping out of the race shall immediately notify a commissaire.**
- Riders who are dropped from the main bunch must proceed at their own risk and should always, when possible, ride on the right side of the road with the flow of traffic.

- The prize list will be displayed at registration. Additional prizes may be announced on the start line.
- **Awards will be presented according to the published schedule. Top-3 finishers are required to attend award presentations or risk forfeiting their awards. Riders must wear their competition uniforms for the presentation.**

## Specific Event Regulations – Criteriums

- As this is a criterium race, riders will be given free laps for recognized mishaps (crash, puncture, breakage of an essential part of the bicycle). Riders suffering mishaps shall head to the designated pit area via any means other than travelling backwards on the course, report to the Commissaire, and make repairs. At the direction of the Commissaire only, riders will be allowed to resume the race at the same location in the pack where they had their mishap. **Improperly maintained equipment is not considered a mishap.**
- The pit will be closed when there are 5 laps left in the race from the perspective of the race leader. No more free laps will be given after this point.
- There is no outside feeding allowed in this race
- Lapped riders may be pulled at the order of the Commissaires, either after being overtaken or just before being overtaken. Otherwise, lapped riders must remain separate, even when being overtaken by riders in their own group.
- If two or more riders overtake the field and remain there with 6 laps to go (from the perspective of the race leader), the field will be sprinted early and separately from the lead riders. Lead riders will continue for the full distance. Instructions on this process will be given by the Commissaires at the start line before the race.
- Safety Requirements  
All participants must wear a helmet that satisfies all CC requirements. Helmets are mandatory at all times. Commissaries and organizers accept no responsibility for the conditions of the competitors' bicycles before, during and after each event. In case of lightning the race may be delayed or cancelled. If you are informed that the race has been stopped due to lightning you are advised to seek shelter until the race can resume.
- Neutral Service & Pit Area  
A Neutral Service Area will be located on the course for any mechanical issues.  
**Note: Riders are responsible for providing their own spare wheels.**  
All wheels that are borrowed/used are to be returned immediately after the race to the Neutral Service Area. It is your responsibility to return the borrowed/used wheels in good working order after the event. It is your responsibility to ensure that your bike is in safe and proper working order after servicing by the mechanic or Neutral Service Area. A mechanic will be available to service bikes.

Note: the neutral service area will be located on the east side of Water Street just past the finish line.

- Team Support

Teams can also support their riders in the Neutral Service Area. If you are supplying your own wheels it is your responsibility to identify your wheels with your race number. All wheels that are borrowed/used are to be returned immediately after the race to the Neutral Service Area. It is your responsibility to return the borrowed/used wheels in good working order after the event. **We do not accept responsibility for lost or damaged equipment or wheels.** Team Managers are responsible for any garbage that is left in the Pit Area.

- Race Vehicle

There will be Commissaires in vehicles in front and behind the race at all times. All riders are asked to co-operate fully with these vehicles for race safety. All participants and vehicles are to obey the instruction of the Commissaires.

- Race Numbers

All riders must sign-in on the day of the race.

Riders must present their UCI License, Citizen Permit if applicable at sign-in.

Riders will be giving Bib Numbers and pins that will need to be positioned on the back of their jersey as shown in the diagram below.

All riders will be issued a timing tag that will need to be affixed to their bicycle. If you have a second bicycle located in the Neutral Service Area please request a second timing tag at registration upon signing in that can be affixed to that bicycle. Diagram below shows how to affix the timing tag.

**Note: All bib numbers and timing tags do not need to be returned after the race.**

**Diagram of Bib Number Placement Below**

### Diagram of Timing Tag Placement Below

Attach the timing tag on the seat post using the supplied cable tie so that it is parallel to the ground and pointing straight back. Put the cable tie through the hole and around the seat post ensuring that the end of the tag is under the cable tie. The timing tag does not need to be returned but can be returned for recycling.

### Athletes Team Areas & Warm Up

All athletes will be able to set up tents in parking lots and around the race course for warm up and visibility to the races.

**Note:** Washroom facilities will be available at the start line area in the Mill Race Park parking lot.

### Post-Race Procedures

These steps will be undertaken in a businesslike manner and racers will be excused as soon as possible. Please cooperate fully during this time as this is essential to the overall success of the event.

### After Finishing the Race

- Following the cool down lap in each race the photographer and media will be granted access to the top three finishers and any other identified award winners at the start/finish area for pictures and interviews while the results are being tabulated.

- **Podium awards will be presented at the start/finish area just prior to the next race.**
- Once called, those riders will report to the podium / stage for interviews and award ceremonies. Note: good public relations are important both for the racers, sponsors and the event. Your cooperation is much appreciated.
- If necessary, those riders will make themselves available to the media following the on-stage presentations.
- All awards will be presented after the race officials have posted the race results.
- Competition wear only for podium and awards ceremonies.
- Second place is on the left-hand side of first place from photographer’s perspective.
- Riders must attend presentation or forfeit awards.
